

**REMARKS**

In the above referenced Office Action, the Examiner divided the claims into the following groups:

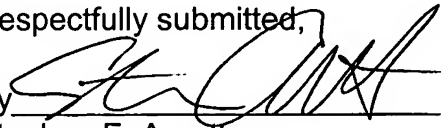

- I. Claims 1-29 and 77-89, drawn to a means of communication between the computer and other electrical equipment;
- II. Claims 30-76, drawn to a connector supporting plural, independent coupling part.

In response, the applicants elect Group II without traverse. Non-elected claims 1-29 and 77-89 have been canceled.

Accordingly, the applicants have elected to begin prosecution with examination of claims 30-76.

Applicants believe no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 324758013US from which the undersigned is authorized to draw.
